

“American Idol” TALENT CHALLENGE DVD Assortment

The American Idol Talent Challenge DVD assortment features 4 DVDs: Classic Hits, Timeless Love Songs, Country Favorites and Pop & Rock Favorites, each specially designed for our popular “American Idol” Talent Challenge interactive singing competition product (AI-448, sold separately). Hosted by Ryan Seacrest, each DVD features songs performed on the hit American Idol TV show, plus real judges’ comments from the show. Enjoy outrageous auditions, too, as would-be Idols struggle to entertain. Each DVD includes 12 songs with full and partly muted original vocals from the show, so you can practice along then hit it solo. There’s even a Karaoke-style screen text mode that shows the words as you sing. Compete with friends, rate each other’s performances using your DVD remote, then listen to Randy, Paula and Simon “tell it like it is”!
